IV. FINANCIAL POLICIES

1. **Fund Balance Policy:** Williamson County recognizes the financial importance of maintaining an appropriate level of Unassigned Fund Balance. A formalized Fund Balance Policy demonstrates to the taxpayer fiscal prudence and the ability to meet its obligations in a timely manner. Independent financial analysts rate the county’s financial stability. The county’s credit strength and strong management control reported by these analysts is, in part, a result of this Fund Balance Policy.

Williamson County will maintain reservations of Fund Balance, in accordance with Governmental Accounting and Financial Standards Board Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions. This Policy shall only apply to the County’s governmental funds. Fund Balance shall be composed of non-spendable, restricted, committed, assigned and unassigned amounts.

2. **General Fund:** Unassigned Fund Balance represents the difference between assets and liabilities that is available for appropriation.

Commissioners Court has assigned \$1.6 million dollars of fund balance for the purpose of funding Law Enforcement and Corrections salaries should the amount budgeted not be sufficient to fund the total amount of approved FTE’s in these departments. A budget amendment will be placed on the consent agenda during the fiscal year should the departments exceed the budgeted total.

Williamson County will maintain an appropriate level of Unassigned Fund Balance in the General Fund to protect against a reduction of services due to temporary revenue shortfalls or unexpected one-time expenditures. It also helps to ensure stable tax rates. The level of Unassigned Fund Balance for the General Fund shall not be less than 35% of total General Fund budgeted expenditures. The goal of each year’s budget process will be to adopt a budget that maintains compliance with the General Fund Unassigned Fund Balance Policy. If it is determined there is a surplus (an amount exceeding the target limit), the funds may be designated or appropriated for the following, including but not limited to:

- Tax rate stabilization.
- Only one-time, non-recurring expenditures, such as capital improvement needs.
- Address any shortfall in related funds, i.e. Road and Bridge Fund.
- Reduction of debt; to include capital leases.

If it is determined there is a deficit (an amount below the lower limit), the County must develop a plan to rebuild the Unassigned Fund Balance to 35%.

3. **Tobacco Fund:** The initial distribution of Williamson County’s share of the settlement established the fund in 1999. Revenues to the fund consist of interest income and the annual distribution by the state of the state trust earnings. To ensure continuation of the fund, the Williamson County Commissioner’s Court has designated the portion of fund balance

representing the amount of the original settlement (\$2.5M). Designation means that this amount, or “principal” balance, cannot be expended. In addition to the original settlement amount, each year, 20% of the revenues from both interest income and the annual distribution from the state will be added to the designated fund balance in order to allow the fund to grow over time. Only 80% of revenues earned from interest and the earnings distributed annually by the state will be budgeted and expended. When determining the next year’s budget, the amount available to expend will be calculated using actual revenue and interest revenue amounts from May 1st of the previous year to April 30th of the current year. Any unspent funds at the end of the fiscal year will be available to budget in the next year. If Tobacco Fund expenditures are budgeted to offset expenditures in other funds, the actual program cost to the other Funds will be determined prior to transferring in any dollars from the Tobacco Fund. This available balance will be tracked annually by the County Auditor’s office.

Use and Distribution of Specific Special Revenue Funds

4. **Child Safety Fund:** Child Safety fees collected by justice, county and district courts in accordance with the Texas Education Code are accumulated in the Child Safety Fund. These funds are to be distributed to Williamson County school districts based on the number of students who reside in Williamson County for the purposes of providing school crossing guard services. This distribution will occur annually at the close of each fiscal year.

5. **School Fund:** Williamson County maintains a working interest ownership in two natural gas producing properties located on what was formerly county-owned property. The mineral rights that have been retained are designated to be distributed to school districts within the county based on the number of students who reside in the county. This distribution will occur annually at the close of each fiscal year and will coincide with the distribution of the Child Safety Fund proceeds.

6. **Employee Fund:** The Employee fund is proceeds collected from Williamson County’s vending machine contract. Use of these funds must be **pre-approved** by the County Judge.

These funds may be used for the following purposes:

- a) To offset the cost of the County Christmas Party
- b) Flowers for the death of an employee only
- c) An award or plaque upon retirement for employee recognition. All purchases must display (i.e. engraving) information regarding the purpose of the employee recognition.
(Purchasing guidelines must be adhered to)
 - i. The employee must be vested
 - ii. \$40.00 allowed for employees with up to 15 years of service
 - iii. \$80.00 allowed for employees with over 15 years of service
- d) Employee of the Year Awards

No reimbursement of sales tax will be allowed.

The amount allowed for use may never exceed the actual balance in the fund.

Purchases from this fund are approved by the County Judge.

7. **Self-Insured Health Plan Fund Policy:** Unassigned Fund Balance represents the difference between assets and liabilities that is available for appropriation. Williamson County will maintain an appropriate level of Unassigned Fund Balance in the Benefits Fund to protect against an inability to pay for claims and administration associated with the self-insured health plan due to temporary revenue shortfalls. It also helps to ensure stable employer and employee contribution rates.

The Self-Funded Health Plan Fund currently has a “goal of reaching and maintaining 25% of projected claims”. The goal of each year’s budget process will be to endeavor to adopt a budget that maintains compliance with the Benefits Fund Unassigned Fund Balance Policy.

If it is determined there is a surplus (an amount exceeding the target limit), the funds may be designated or appropriated for contribution rate stabilization.

If it is determined there is a deficit (an amount below the lower limit), the County may develop a plan to rebuild the Unassigned Fund Balance to 25% of projected claims.

8. **WM-City of Hutto and Hutto ISD Fund:** The WM-City of Hutto and Hutto ISD Fund consists of proceeds paid by Waste Management annually. Per the agreement, these funds represent 2% of the Tip Fee and are to be expended for the benefit of the City of Hutto and Hutto ISD. The expenditures are at the County’s sole option. The annual distribution will be allocated 50% to the City of Hutto and 50% to Hutto ISD. Each entity is required to request any disbursements from the fund.

9. **Williamson County Community Facility Fund:** This fund consists of fees collected through the Williamson County Landfill. Community organizations, groups, and individuals may submit a funding request to the Williamson County Commissioners Court for the construction, improvement, or remodel of community facilities located in Williamson County that serve a public purpose.
